EUROPEAN SOLIDARITY CORPS

Associazione PECO

The association was founded in July 2013 in Genoa by a group of young people who share experiences, common interests and the same sense of belonging to the world.

The goal of P.E.CO. is to give young people from Genova and Liguria region the opportunity to live international and educational experiences abroad, and viceversa to young people from Europe similar opportunities in Genova and in Liguria. We are one of the few organisations active on the territory in the field of Youth Exchanges and the only ESC Lead Organisation in our region.

VOLUNTEERING TEAMS *in High Priority Areas*

Volunteering Teams in High Priority Areas (VTHPA) are large projects enabling short-term, impactful volunteering to tackle key EU societal challenges.

They promote solidarity by engaging youth and organizations in quality activities that strengthen cohesion, democracy, and citizenship in Europe.

Project Location

Cascina EUtopia is located in Casaleggio Boiro (AL).

Casaleggio Boiro is a small village in Piemonte region.

The village is close to a Regional Park and therefore is surrounded by green landscape.

EUtopia

EUtopia is a reality immersed in the countryside of Northern Italy.

Participants will have the opportunity to connect with nature and give new life to the structure and the land around it, with the idea of making it a safe and inclusive place for highly vulnerable young people in future European exchanges and volunteering projects.
