Volunteering at schools

The volunteer will be given the opportunity to have an active role in implementing the activities and in the organizational activities of our Centre. The volunteer will collaborate in the majority of the tasks in the school in order to encourage the integration and participation of other students in this project.

The ESC volunteer will participate to the day-to-day tasks, that is to say:

- participating in the English language and Arts and crafts lessons and activities, in order to support the teachers;
- supporting teachers in preparing the teaching materials;
- support the teachers in organizing and decorating the schools spaces, especially after the summer break;
- attending working reunions and seminars;
- working on the School web page as well as social media;
- supporting the school in selecting the next ESC volunteer(s).
